Stay Standing If

**Young men have it tougher
today than previous
generations**

Stay Standing If

**Our current youth culture
helps boys to develop a
good sense of what it
means to be a man**

Stay Standing If

**Young men are more
resilient than previous
generations**

WHY YOUNG MEN?

YOUNG MEN

The Challenge We Face

- ❑ Young men are 3.5 times likely to die from an accident than young women
- ❑ \$387K per hour: Cost of young men's mental health to Australian economy
- ❑ 49% of king hit attacks are committed by young males aged 18 to 23 years
- ❑ 46% of Australian young males have been in physical fights
- ❑ The average first time a boy watches porn is 11 years old
