Learning and Development, formerly known as the District Training Committee has adopted the newer focus embracing the title of Learning and Development encouraged by Rotary International and their training of the District L&D Coordinators.

Our role is to reach out to every Rotarian in the District to inspire their learning and development of Rotary, their knowledge and growth from the time of joining through to the various roles and functions held in their Club, plus the understanding of the structure and roles of District, Zone and Rotary International and their support.

The Learning and Development team is very keen to work with every Rotarian in the District to enhance and enrich their Rotary Journey.

Please contact any one of the following for advice, a chat, or a visit to your Club.

Public Image, Marketing, Website

Aim:

- To promote Rotary to external audiences and foster understanding, appreciation, and support for Rotary's projects and programs. To help Rotary Clubs identify their own "brand" and understand that a brand is more than a logo.
- To help Rotarians understand that effective external publicity, favourable public relations, and a positive image build support for the organisation, inspire potential donors, and attract possible candidates for membership.
- To share Rotary public relations materials with Clubs and encourage them to make public relations outreach a priority, using both traditional and digital media.
- Through Toastmasters, help Rotarians grow personally and professionally and use their communication skills to impact on their communities through the Rotary-Toastmasters Alliance Program.
