Rotary Health presents

A Night with Our Researchers

Researchers that will be with us on the night will include:

- **Professor Jane Pirkis** - Jane has undertaken a number of policy-relevant studies of suicide and suicide prevention in Australia. She has a particular research interest in suicide and the media.

- **Professor Vera Morgan** – Vera is a psychiatric epidemiologist with a special interest in studying schizophrenia and other psychotic disorders using record-linkage and survey methods.

- **Professor Allison Waters** -Allison focuses her research on the cognitive-neuroscience of emotional disorders in children and aims to translate findings from laboratory and basic science research into clinical practice.
